

HEIGHT

WIDTH

### Slider size (GREEN area):

W 1,920 px x H 900 px @ 144dpi

### Full-Width Slider Size (GREEN + BLUE Area):

W 2,880px x H 900px @ 144dpi

### Acceptable files:

JPG (Size: up to 1MB)

#### Notes:

Any information/text should be placed within the GREEN area. The GREEN area will always show on any device including smartphones. Try to keep the text concise. We will place a link to another page, where more details can be listed.

The BLUE area will generally not show on smartphones or tablets, while it will show on computers when the browser window is wide enough. It looks good when the background extends throughout the whole width (BLUE + GREEN area).
